

Commercial & Industrial (C&I) Incentive Application Fee Payment Instructions

Effective 4/1/2026

Effective 4/1/2026, each Energy Storage Solutions Commercial & Industrial¹ customer enrollment incentive application must be accompanied by a nonrefundable **\$350 Application Fee**², payable by automated clearinghouse (ACH) to the Connecticut Green Bank. Eligible Contractors will be provided with account and routing numbers as part of the onboarding process or can contact energystorage@ctgreenbank.com to request them as needed.

Each payment must be accompanied by an email to energystorage@ctgreenbank.com indicating the ESS project number (if available), applicant name, and address for which the payment(s) have been submitted, along with date of payment. Applicants may submit a single payment for multiple projects at once (see example below). **Payment must be made by the Eligible Contractor. Reservation of Capacity will only be issued once the application is complete and the Application Fee payment has been processed.**
